

# Learning from the Chinese strategic mindset

## Target audience

Staff working with the Chinese:

- Human resources managers
- Strategic directors
- Senior and middle managers

## Prerequisite

No prerequisite

## Objectives

This seminar aims to make the participants think again on their management culture by comparing Western and Chinese types of management, and to open their mind to another strategy and approach of efficiency.

- Stand back from the Western managing methods
- Increase the efficiency of one's strategy in a complex world
- Recognize and take advantage from the opportunities
- Have a better time management
- Manage the changes in the firm more efficiently

## Added value

- Conducted by an intercultural expert consultant
- Decoding the Nomad' Profiler
- Alternating theory and practical exercises
- Access to Digital Learning for 1 year
- Sharing best practices and personalized action plan

## Accessibility

All our training courses are accessible to people with disabilities. Each training project will be the subject of a case study by our teams, in order to adapt the training program.
