

Living and working in Indonesia

Target audience

Employees preparing for an assignment in Indonesia and their partners

Prerequisite

No prerequisite

Objectives

This seminar aims at significantly improving the ability of the participants to **meet the challenges of living and working abroad**. The objective is to enable them to identify the stumbling blocks that lie ahead and to be able to adapt and integrate in Indonesia. At the end of this training, participants will have acquired the necessary skills to:

- Be aware of their own cultural baggage
- Understand Indonesian context and culture
- Analyze situations in which misunderstandings may arise and identify ways of communicating more effectively
- Reduce and manage the symptoms of culture shock
- Understand Indonesian mindset, work practices, decision-making processes and negotiating styles
- Strike the right balance between personal and professional life

Added value

- Conducted by an intercultural expert consultant
- Decoding the Nomad' Profiler
- Alternating theory and practical exercises
- Access to Digital Learning for 1 year
- Sharing best practices and personalized action plan

Accessibility

All our training courses are accessible to people with disabilities. Each training project will be the subject of a case study by our teams, in order to adapt the training program.
