

Powerful presentations in English

Target audience

Non-English speaking employees and managers who wish to better manage their speaking skills during presentations in English

Prerequisite

3,00 / 5,00 (CECR : B2)

Objectives

At the end of the training session, participants will have the tools to:

- Structure the presentation in the "Anglo-Saxon" style
- Maintain the interest of the audience with strong language, a smooth flow and clear pronunciation
- Reinforce their impact and credibility by eliminating common mistakes
- Understand and answer questions on the spot after the presentation

Added value

- Conducted by an English-speaking facilitator from the business world
- Teaching method mainly based on oral expression and role plays
- Practical applications in the learner's professional context
- Linguistic certification test (in the case of a CPF)

Accessibility

All our training courses are accessible to people with disabilities. Each training project will be the subject of a case study by our teams, in order to adapt the training program.
